Completing your return

Guidance notes, including a completion checklist, are provided on page 6 and at relevant points in the return. Also our extranet contains useful advice for you to refer to, see below.

Complete all sections highlighted in red. Do not leave any red box blank. Incomplete or incorrect returns require additional work and so may incur additional costs.

Send the return, together with your bank reconciliation as at 31 March 2022, an explanation of any significant year on year variances in the accounting statements and any additional information requested, to us, BDO LLP, by the due date.

We will identify and ask for any additional documents needed for our work. Therefore, unless requested, do not send any original financial records.

Once we have completed out work, the completed return will be returned to the Joint Committee.

It should not be necessary for you to contact us for guidance.

The Joint Committee's internal audit service provider, acting independently and on the basis of an assessment of risk, carried out a selective assessment of compliance with relevant procedures and controls expected to be in operation during the financial year ended 31 March 2022.

Internal audit has been carried out in accordance with the Joint Committee's needs and planned coverage.

On the basis of the findings in the areas examined, the internal audit conclusions are summarised in this table. Set out below are the objectives of internal control and alongside are the internal audit conclusions on whether, in all significant respects, the control objectives were being achieved throughout the financial year to a standard adequate to meet the needs of the Joint Committee.

Guidance notes on completing the 2021/2022 return

- Make sure that your return is complete (i.e. no empty red boxes), and is properly signed and dated. Avoid making any amendments to the completed return. But, if this is unavoidable, make sure the amendments are drawn to the attention of and approved by the body, properly initialled and an explanation provided to us. Returns containing unapproved or unexplained amendments will be returned and may incur additional costs.
- Use the checklist provided below. Use a second pair of eyes, perhaps a member of the committee or the Chair, to review your return for completeness before sending it to us.
- Do not send us any information not specifically asked for. Doing so is not helpful. However, you
 must notify us of any change of Clerk, Responsible Financial Officer or Chair.
- 4. Make sure that the copy of the bank reconciliation or letter confirming the balance held on your behalf which you send with the return covers all your bank balances. If the joint committee holds any short-term investments, note their value on the bank reconciliation. We must be able to agree your bank reconciliation to Box 8 on the Accounting statements. You must provide an explanation for any difference between Box 7 and Box 8.
- 5. Explain fully significant variances in the accounting statements on page 3. Do not just send in a copy of your detailed accounting records instead of this explanation. We want to know that you understand the reasons for all variances. Include a complete analysis to support your explanation.
- 6. If we have to review unsolicited information, or receive an incomplete bank reconciliation, or you do not fully explain variances, this may incur additional costs for which we will make a charge.
- Make sure that your accounting statements add up the balance carried forward from the previous year (Box 7 of 2021) equals the balance brought forward in the current year (Box 1 of 2022).
